NGS News

2nd March 2016

show time is here just a day to go . . .

It was an excellent run through on Monday evening with just a few points to note:

- **Cast especially soloists:**
Sing up and **remember the people on the back row need to be able to hear you.** The sound system will help but if the conductor can't hear you then neither can the microphones.
- When you turn sideways, still **keep looking towards the audience.** If you speak / sing towards the back, you will not be heard.
- **Take care on the stage steps.**
- **Sketches:** Make sure that **you know your words!** Speak slowly and clearly in a loud voice so you can be heard at the back. Don't lean on the bushes (Mr Turpin) or apologise to them! (Mr Postman)
- **Everyone:**
Keep quiet off stage,
- When you are waiting in the wings (i.e. the side of the stage), keep well back so you can't be seen.
- **Don't peep through the curtains.**
- When the stage crew are setting and removing the scenes, **wait in the corridor area until they tell you that stage is ready.**
- Magical Mystery Tour – **keep singing whilst you are rotating the bed** and remember that the bed needs to end up behind the black line so that the curtain can close.

Back Stage Crew:

- Safari Park: Scout HQ Grey phone, Zoo – Brown Phone.

Above all, have fun and enjoy yourselves!
